

**PRESENTING A BULB THAT  
PAYS YOU BACK**

**Great Lakes**  
Sign Products

Stop changing those old incandescent bulbs that don't last. Why not invest in a bulb that looks great, last up to 50,000 hours, and starts paying you back immediately.

**OUR BULB**

**TYPICAL BULB**

**UNMATCHED ENERGY SAVINGS**

**\$14 LED BULBS ARE HERE!**

- Uses just 1/10<sup>th</sup> of the energy of a typical 11S14 incandescent bulb.
- **Save over \$30,000** by replacing 250 Bulbs running 8 hours a day.
- Simple replacement – same size socket, same voltage.
- Ultra durable design with faceted globe produces bright vivid illumination at all viewing angles.
