AREA LIGHTS

optic swap WITH

OCTOBER 2025

27 fixtures in 1

Universal slipfitter mount

Available with tenon-equipped mount that can affix directly to the pole; reduces complexity and increases flexibility.

Tool-free lens swap

A revolutionary solution. Field-install optic lenses in seconds while keeping an IP65 rating. Three (3) optics included — Types III, IV, and V.

Power Select technology

Three (3) different power outputs help reduce SKUs and increase flexibility. (140/100/70W and 290/210/185W)

Color Select technology

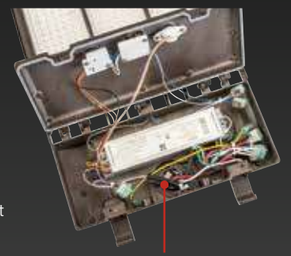
Three (3) different color temperatures provide the right light for your project. (3000K, 4000K, 5000K)

Universal Slipfitter Mount

Medium and Large fixtures available in bronze, white, black, and silver.

Adjustable Pole Mount or Universal Slipfitter available.

Power & Color Select Switches



Hinged door provides easy access to Keystone driver

It’s all in the box

Stockable fixtures. Swappable optics. Adjustable outputs. **That’s Light Made Easy®.**

FIXTURE | 3 LENSES — TYPES III, IV, AND V | PHOTOCELL | PRE-INSTALLED MOUNT
