ILLUMIWRAP

24 VDC

ILLUMIWRAP

Downlight illumination system for buildings and signs

Specifications

SKU*	Description
B-IL-05-11850-**XX**	(5) 118" IllumiWrap assemblies
B-IL-03-11850-**XX**	(3) 118" IllumiWrap assemblies
B-IL-01-11850-**XX**	(1) 118" IllumiWrap assemblies
B-IL-01-05950-**XX**	(1) 59" IllumiWrap assemblies
B-IL-CR-05850-**XX**	(1) 58" Corner IllumiWrap assemblies
A-IL-EC-**XX**	Illumiwrap end caps (left, right)

* **XX** can be **BK** (Black), **BZ** (Bronze), **DT** (Dark Tan), **SV** (Silver), or **WH** (White)

High Lux LEDS deliver approx. 447.5 Lumens/ft @ 4.47 Watts/ft

Designed for seamless continuous row mounting on buildings or signs

UL Listed Wet location, UL48 outline lighting for signage

Dimensions ..... 9' 10" Housing: 118"
4' 11" Housing: 59"

Beam angle ..... 30° × 15°, Specialty optic module

Color temperatures ..... 5000 K

Efficacy ..... 118 lm/W

Fastening ..... Gasketed screw

Operating temp. ..... -40° C to +50° C

Environment IP68

Power supply ..... 24 VDC

Power ..... Up to two 118" sections per 96W power supply

Finish ..... Black, Bronze, Dark Tan, Silver, or White

Certifications ..... UL Listed Wet Location,
UL48 outline lighting for signage

Warranty† ..... LED 10-year
Driver 10-year
Wind load ..... 150 mph
Hood assembly 10-year
Installation components ..... Standard/included

c UL us LISTED RoHS Compliant

† Warranty invalid if not used with IllumiWrap specific Qwik Box.

Power Supplies

SKU	Description
B-QBSS1A-09624-M2-G-SD	96W 24V Qwik Box Single w/ Grommets and (2) Male Molex Connectors
B-QBSD2A-19224-M4-G-SD	192W 24V Qwik Box Double w/ Grommets and (4) Male Molex Connectors

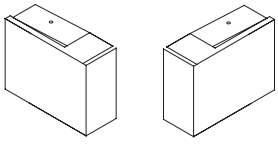

Building Hardware (optional)

SKU	Description
A-IL-025-SK	25-ft Building Seal Kit

Sold as a full package with parts included on this datasheet.

Accessories

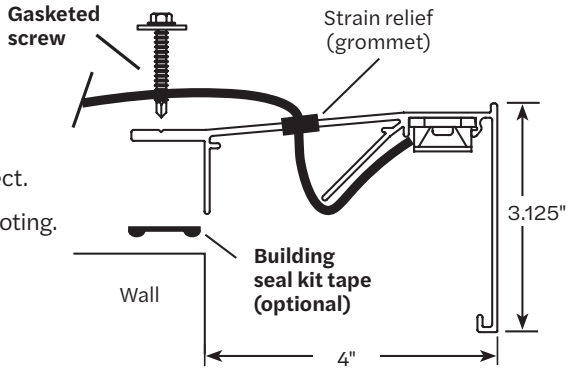

Color-matched end caps

Left end cap Right end cap

How to Order

1. Submit the **IllumiWrap Survey Form** to **layouts@pindustries.com**.
2. Principal Sloan will generate a layout of your project.
3. The layout will be sent to Customer Service for quoting.
4. Order based on quote will be placed through your distributor.
